Seniority date cannot be earlier than actual date of hire. In such cases the seniority date will be recognized as the date of hire.

New hires shall have a probationary period of three hundred (300) hours worked. The probation period may be extended by mutual agreement with the Union Representative up to an additional one hundred (100) hours worked. During this probationary period new employees may be discharged by the Employer at its discretion. The Company will notify the union representative in writing prior to an employee completing their five hundred and twenty (520) hour probationary period that their probationary period has been

extended by up to 200 hours because of modified work.

Upon completion of the probationary period, seniority shall then be established retroactive to the commencement of employment.

- 30.2** Seniority date cannot be earlier than actual date of hire. In such cases the seniority date will be recognized as the date of hire.

Full-Time to Part-Time Employment

Full-time employees will have the ability to change to part-time status once during the term of the collective agreement for reasons other than working at alternative full-time employment. Employees may make this request during the period of January 10th to November 1st of any given year. Changes will be made in a timely fashion as to not interfere with efficient operation of the business. Full-time employees moving to part-time will be required to submit a declaration of availability form and shall maintain their seniority and class hours.

- 30.3** Seniority shall be exercised only within a seniority group.

Seniority lists shall be established for each of the departments within the groups covered by the agreement.

The parties agree that bargaining unit employees employed at each location shall constitute a separate seniority group for the purpose of Article 30.

30.4 Seniority and employment shall be terminated when:

- a) An employee voluntarily quits or is terminated for just cause or fail to show up for work for three (3) consecutive shifts without valid reason and/or without proper prior notice. In the case of the latter, Article 31.3 shall not apply.
- b) An employee fails to report to work after seven (7) days when recalled from layoff. An employee had to be recalled by registered mail at last known address on file with the Employer.

- d) fails to return to work upon the conclusion of a leave of absence unless their failure to return is for reasonable cause.

Layoff and Recall

- f) When reducing staff, junior employees within the department in the classification shall be laid-off first. When recalling employees from layoff, they shall be recalled in seniority to the department and classification from which they were laid off.

When reducing full-time employees, employees with a name guarantee shall take precedence over those employees who do not have a name guarantee.

- g) In the event a full-time employee is laid off or is reduced to part-time, or a part-time employee is reduced to zero (0) hours for four (4) consecutive weeks, they shall be allowed to:
 - i) Fill a vacancy or displace the most junior employee within the classification within their seniority group.
 - ii) Fill a vacancy or displace the most junior employee whose rate is equal to or less than their current rate outside their classification within their seniority group.
 - iii) Carry fifty percent (50%) of their class hours to determine their rate of pay in their new classification to a maximum of

one half the total hours on the new wage scale.

- iv) For the purpose of this article only, Meat Cutters and Bakers shall be considered in the same classification as Food Clerks. When required to exercise 30.4 g), their rate of pay would be appropriately amended should it be based on a rate of pay associated with the Journeyperson steps of a previous Collective Agreement or Assistant Department Manager status.

- h) Should an employee exercise their seniority outside their classification, he shall be given a “reasonable opportunity” to do the job in a competent manner. For the purpose of this section “reasonable opportunity” shall mean a maximum of thirty-seven (37) hours for a full-time employee and sixteen (16) hours for a part-time employee.

- i) An employee exercising their seniority under (e) above will be restricted to one opportunity to do a job outside their classification in a competent manner.

- j) In the event that a full-time position becomes available within the classification of the most senior full-time employee laid off or reduced, that employee shall have the first opportunity to fill the position.

- k) In the event a full-time position becomes available outside the classification of the most senior full-time laid-off employee or reduced full-time employee, he will be given a reasonable opportunity, as defined above, to perform the job in a competent manner subject to 30.4 (e) (ii).
- l) In the event a part-time position becomes available, the most senior laid off part-time employee will be given a reasonable opportunity, as defined above, to perform the job in a competent manner subject to 30.4 (e) (ii).

Transfers

- m) The Employer and the Union agree that when transfers of employees between the stores is conducive to the proper operation of the business, the employees will co-operate with the Employer in this matter.

Where it will not interfere with the efficient operation of the business, employees may request a transfer to the store nearest their residence or intended residence provided there is a vacancy that is consistent with their availability and they maintain or improve their current level of availability for no less than one hundred and sixty (160) hours and the

requested location is within their division. Should the transfer be granted, the employee will be restricted to one (1) such transfer during the life of the Collective Agreement unless determined otherwise by the Company.

Employees who have completed five hundred and twenty (520) hours worked may also request a transfer to a new store within their division prior to the new store opening.

Such requests will be made in writing and submitted to the Human Resources Department. Where there are multiple requests for a transfer, and a transfer is allowed, seniority shall be the determining factor. All transfers are subject to merit, fitness and ability.

When an employee transfers within the bargaining unit under this article, he will maintain their seniority, class hours, and rate of pay.

- n) The Employer agrees to pay the cost of transportation (bus fare or corporate kilometre rate) when an employee is borrowed to another store or required to use their own vehicle during the course of the employee's day of work. When an employee is borrowed to another store during regular working hours,

the time taken to commute will be paid by the Employer at the regular hourly rate.

- o) The Employer agrees that, in the case of the temporary out-of-town transfer, the employee shall be paid reasonable travelling and living expenses.
- p) The Employer agrees that, if an employee has a good and sufficient reason for not accepting a transfer, the employee will not be forced to accept such a transfer.
- q) When an employee is transferred within the bargaining unit under this agreement, he will maintain their seniority, class hours, and regular rate of pay at the time of the transfer.
- r) Employees from outside the bargaining unit of seniority groups may be transferred into the bargaining unit or seniority group provided such transfer does not result in the displacement of or reduction of hours of a member of the said bargaining unit or seniority group.

30.5 Promotions

The two (2) divisions of the Company (Real Canadian Superstore and Western Grocers) shall be considered separate for the purposes of seniority.

Promotions and vacancies shall be filled by department on the basis of seniority, providing the senior employee has the merit, fitness and ability to perform the work. The Employer agrees to act in good faith and further agrees not to discriminate in any manner.

Existing full-time employees who have requested relocation to another store, will be given first opportunity to fill any full-time vacancy within their department. In the event that there are no such requests for transfer, full-time vacancies shall be filled by department on an area-wide basis.

Employees wishing to be considered for full time in any BC Real Canadian Superstore location, outside their home store can send an email to bcrsftjobs@loblaw.ca and cc: loblawft@ufcw247.com indicating which store(s) they would be prepared to work in.

The Company will post a notice in June and January to remind employees of the process.

New hires will be informed of the full-time application process at their orientation session.

30.6 Any full-time or top-rated part-time employee who has completed their probationary period and who is in a store which is to be closed or sold, shall be allowed to displace the most junior employee in their classification in the bargaining unit.

30.7 Availability

Restricted Retail Store employees hired after July 3, 2004, must be available to work during the week (Sunday to Saturday) a minimum of three (3) days in five (5) hour blocks, one of which must be an evening or weekend.

Part-time employees shall declare their availability five (5) times per year.

Part-time employees shall be required to work according to their most recent Declaration of Availability. Employees cannot use a floating availability date to limit or further limit their availability between November 15th and the end of the year. An employee shall not be allowed to use an availability change until a minimum period of four (4) weeks has elapsed since their last availability change, unless it is to increase the employee's current availability.

All employees interested in maximizing hours during the month of December may elect to expand their current availability, giving notice and availability change to their Department Manager by the third (3rd) Sunday in November. This availability change would be effective on the first or second Sunday in December at the choice of the employee.

Anytime part-time employees are able to declare themselves unavailable for either:

- i) a period of up to eight (8) consecutive hours between 00:00 hrs. Monday and 24:00 hrs. Thursday and be in the same block of time each week; or
- ii) a period of five (5) consecutive hours between 00:00 Friday and 24:00 hrs. Sunday and be in the same block of time each week

and still be considered available anytime for scheduling purposes. All employees exercising this option must do so at the time they declare their availability. These restrictions will be awarded based on seniority and the Company may limit the number of restrictions.

Part-time employees (DC only) must be available for hours consistent with days of operation and the six (6) hour blocks must line up with either the start or end times of posted shifts in the facility.

All part-time (DC 1932 & DC 1935) employees hired after July 3, 2004, must be available to work for all hours on either Saturday or Sunday and must be available for two (2) additional six (6) hour blocks consistent with shifts in their department.

Employees shall not exercise an availability change until the completion of their probationary period,

except in cases where the availability is increasing, or they had taken advantage of the December availability expansion or they are returning to school. New employees shall be advised at the time of hiring.

The Employer will make “Declaration of Availability” forms available online to part-time employees. Employees who require a change in availability will submit a completed form online. Provided the request is submitted Saturday by noon, the change will be reflected on the schedule posted the following Wednesday.

New employees shall be required to complete a “Declaration of Availability” form online, on or before the first day of work. An employee must not restrict themselves to the point that they are not available for normal scheduled shifts within the department.

Requests to change availability outside of the stated declaration opportunities may be allowed at other times throughout the year at the discretion of Management.

If the Company changes the hours of operation of one of its stores, employees of the affected store will be given a “free” availability change. Any such change must be made within one (1) month of the change in store hours and must be directly linked to the change in the store hours.

Failure to provide a proper declaration of availability prior to a declaration date shall result in the continuance of the previous Declaration of Availability.

An employee must not restrict themselves to the point that they are not available for normal scheduled shifts within the department.

All part-time employees (DC only) hired after ratification must be available to work for all hours on either Saturday or Sunday and must be available for two (2) additional eight (8) hour blocks consistent with shifts in their department.

30.8 24 Hour Stores / Extended Hours

- a) The following conditions will apply to any store that is open twenty (20) or more hours per day. They will not apply to bakery and meat production, bakery and meat sales related to current production stores, night stocking employees and night receiving employees.
- b) When the store is open for business to the public between 11:00 pm and 7:00 am seniority will be the governing factor in staffing. Senior employees will be given first choice to work or not work and, if there are insufficient volunteers reverse order of seniority will apply.

- c) It is understood that for part-time employees hired before the store opens the extended hours, available anytime status would be met provided the employee is available for the same hours that were previously scheduled within their department prior to the store hours changing to twenty (20) or more hours.
- d) The minimum shift for employees working the night shift will be six (6) hours but the Company will endeavour to schedule longer shifts whenever possible. The scheduling of longer shifts will be subject to the operational requirements of the business.
- e) The Company will take the appropriate steps to ensure the safety and security of employees working extended hours.
- f) Employees will not be required or scheduled to work from 11:00 pm to 7:00 am or from 7:00 am to 11:00 pm in the same week. There will be a minimum of forty-eight (48) hours between the two.
- g) The Employer agrees to notify the Union and the affected employees a minimum of two (2) weeks in advance of any proposed store hour changes.

- h) Employees will be given an additional opportunity to change their declaration of availability to meet the extended hours.

30.9 Guarantee of Hours

The following items (a) and (b) shall apply only to the Front-End Department of all stores.

- a) Article 11.11 notwithstanding, the senior forty percent (40%) of the employees in the Front-End Department, hereinafter called “the Group”, shall be scheduled as follows:
 - i) the senior one third (1/3) of “the Group” shall receive twenty-eight (28) hours or better, per week;
 - ii) the next most senior one-third (1/3) of “the Group” shall receive twenty-four (24) hours or better, per week;

- b) Implementation of the above minimum guarantee of hours for “the Group” subject to the following definitions and/or conditions:

This will then produce the number of part-time employees entitled to the minimum guarantees as indicated in 30.12 (a).

Any restricted employees shall not qualify to be scheduled under this section. The Company, therefore, shall go to the next unrestricted available employee until the total number constituting “the Group” is reached.

The following paragraph 30.12 (a) shall apply to all other departments in the stores, except in the Front-End Department.

It is understood that employees hired prior to ratification (December 3, 2010) that work exclusively as a Cashier, or Cash Office or Customer Service will only be required to work in another area of the Front End by mutual agreement.

- c) Notwithstanding 30.12 (a) and (b) the following shall apply to all other departments.

The senior one-third (1/3) of unrestricted employees in a Department shall hereafter be called “the Group” and be scheduled as follows:

- i) the senior one-third (1/3) of “the Group” shall receive twenty-eight (28) hours or better;
 - ii) the next most senior one-third (1/3) of “the Group” shall receive twenty-four (24) hours or better;
 - iii) the least senior one-third (1/3) of “the Group” shall receive twenty (20) hours or better.
- d) Restricted employees shall not qualify to be scheduled under this section.
 - e) Hours worked or paid, including General Holiday as per Article 13, shall be considered as hours worked for the purpose of satisfying the minimum guarantees in section 30.12 (a) and (c) above.
 - f) The number of employees entitled to a minimum guarantee of hours of twenty-eight (28), twenty-four (24), or twenty (20) hours, is to be calculated according to a formula.

- a) a new group of products or commodities are to be sold or services offered; or,
- b) the pre-existing mix of products or commodities is substantially altered to the extent that merchandising and staff requirements are substantially altered.

When a new department is established, the Department Manager for that department will be added to the exclusions under Article 1.

30.11 Assistant Department Manager

The Parties agree that, to enhance the Company's ability to develop Management staff, there shall be created the position of Assistant Department

Manager. The Assistant Department Manager shall be:

- a) filled by individuals hired or selected on the basis of their merit, qualifications, ability and seniority as determined by Management;
- b) required to provide all relief for Department Manager;

The rate shall be forty cents (\$0.40) per hour over the top in the Department.

An Assistant Department Manager must maintain an availability that allows them to relieve the Department Manager throughout the year, consistent with the Department Manager's vacation, days off, and scheduling practices that is in keeping with the efficient operation of the department. In cases where this required availability is not being met, the Company may elect to demote the Assistant Department Manager to their former position.

30.12 Store Closure

In the event of the closure of a store, employees shall be able to exercise their seniority to transfer

to other stores of the Employer within the same division within the same contract area.

The Company will be fair and reasonable in considering requests for a transfer. Requests shall be considered on the basis of seniority provided the merit, fitness and ability are relatively equal among employees requesting a transfer. An employee will be limited to one (1) such transfer every twenty-four (24) months.

Employees granted a transfer will be on probation for a period of up to three hundred (300) hours to demonstrate their ability to perform the work in satisfactory manner. In the event they are unable to perform satisfactorily in the new position, they shall be returned to their previous position, rate of pay and class hours, where appropriate.

There may be occasions where the one (1) year service requirement and/or the one (1) transfer every twenty-four (24) months limitation may be waived at the discretion of the Company should it suit the needs of the business.

A transferring employee's availability must be consistent with the needs of the vacancy and if they are transferred, the employee must maintain that same minimum availability for no less than one

Where two (2) or more cross-trained employees are scheduled in the same additional department, seniority for purposes of scheduling shall be based on length of service within the department.

- d) The Company may choose to hire a new employee as opposed to scheduling cross-trained employees in additional departments. There is no requirement to provide hours beyond the employee's primary department schedule.

ARTICLE 1 – PURPOSE AND RECOGNITION (SURREY WAREHOUSE)

- 1.01** The Company recognizes the Union as the exclusive collective bargaining agent of all employees of Loblaw Distribution Centre located at 2755 190th Street in the Town of Surrey, BC, save and except supervisors, those above the rank of supervisor, office, clerical, sales, inventory control, quality

control, facility maintenance, sanitation, lumpers, auditors, wms type controllers and drivers.

ARTICLE 2 – GRIEVANCE PROCEDURE (SURREY WAREHOUSE)

- 2.01** Any complaint, disagreement or difference of opinion between the parties hereto, concerning the interpretation, application, operation of the Agreement, violation of the terms and provisions of this Agreement, shall be considered a grievance, subject to the grievance and arbitration provisions of this Agreement.
- 2.02** Grievances must be submitted to the Company, in writing, not later than seven (7) days from the event giving rise to the grievance, or it shall be waived by the aggrieved party.
- 2.03** The procedure for adjustment of grievance and disputes by an employee shall be as follows:
- Step 1:** Within seven (7) days of filing the grievance, the employee, with or without Shop Steward, must attempt to resolve the grievance with their immediate supervisor. If a satisfactory settlement cannot be reached within seven (7) days of the meeting outlined in this step, the Union may appeal to the General Manager.

Step 2: The Union representatives may take up the matter with the Company's General Manager or designee. If a satisfactory settlement cannot be reached within fourteen (14) days of the meeting held in Step 1, the matter may then be referred to Arbitration, which is outlined in Article 6.

2.04 Unless the parties agree otherwise in writing, the withdrawal or settlement of a grievance will not operate as a precedent or a prior practice for any subsequent situations.

ARTICLE 3 – SENIORITY (SURREY WAREHOUSE)

3.01 Seniority will be established and maintained for all employees in the bargaining unit, and is defined as an employee's most recent period of continuous service with the Company.

3.02 All full-time employees' names will appear on a seniority list as of their date of hire, and be revised every month and posted on plant notice boards. A copy of this list will be given to the Union Representative.

3.03 Employees will be regarded as probationary employees for the first five hundred twenty (520) hours. Seniority will start from the first date of hire and the employee's name will appear on the seniority list in order of the respective date of hire. During the probationary period new employees

may be discharged by the Company due to unsuitability, at its discretion. Probationary employees shall not be eligible for any fringe benefits unless mandated by law or unless otherwise provided by the specific terms of this Agreement.

3.04 Employees hired on the same day will have their seniority standing determined by alphabetical order of their last name, on the date of hire, with “a” being the most senior. The status of an employee’s seniority will not change because of a name change.

3.05 Training by Seniority (Surrey Warehouse)

Training shall be offered on the basis of seniority provided the senior employee will be working on the shift where training is required and have the merit, fitness and ability to perform the work. The Employer agrees to act in good faith and further agrees not to discriminate in any manner.

3.06 A successful applicant for a vacancy shall be prohibited from applying for another vacancy (including moving to Part-time status) for a period of four (4) months, from the awarding of the original vacancy, unless approved by management.

ARTICLE 4 – LAYOFF AND RECALL (SURREY WAREHOUSE)

- 4.01** The term “layoff” shall be defined as a reduction in the working force which arises from a shortage of work of two (2) weeks or greater that results in the elimination of a position. The Company will give at least seven (7) days’ notice of anticipated layoffs to employees and the Union where possible.
- 4.02** In the event of a layoff, probationary and part-time employees will be laid off first. The Company shall then layoff regular full time employees in reverse order of seniority on a bargaining unit wide basis.
- 4.03** Employees will be recalled in the reverse order in which they were laid off provided that the employees being recalled have the qualifications and certifications to perform the work.
- 4.04** The Company will provide the Union Representative a copy of the layoff notices, the list of employees to be laid off or recalled, as well as copies of cancellation of layoff notices.
- 4.05** A reduction of the work force for a period of less than two (2) weeks will not be considered a layoff. In these circumstances the Company will adjust the workforce by canvassing for volunteers within the affected classification(s) and department(s) and granting leave based on seniority. If following this procedure there remains a need to adjust the workforce further, the most junior employee(s) in

the affected classification(s) and department(s) will be displaced.

- 4.06** An employee because of a lack of qualification or certification who may be laid off out of line of seniority, or who may not be recalled by seniority will be given a seven (7) day training period to become qualified.

ARTICLE 5 – PART-TIME EMPLOYEES (SURREY WAREHOUSE)

- 5.01** The parties agree that the Company has the right to utilize part-time employees. The use of part-time employees will be limited to twenty percent (20%) of regular full-time work hours. However, the use of a part-time employee to replace a full-time employee who is absent for any reason will not be counted against the limitations on the use of part-time employees.
- 5.02** Part-time employees will have a separate seniority list, the use of which shall be limited to determining the order in which the part-time employees can apply for full-time positions. If a part-time employee, applying for full-time position, has not completed their probationary period prior to electing regular, full-time status, the probationary period must be completed before the employee will be considered a regular, full-time employee.

- 5.03** Part-time employees will be offered regular, full-time positions before the Company hires from the outside. The seniority date for a part-time employee electing regular, full-time status will be the date they are granted regular, full-time status.
- 5.04** Eligibility for paid time off and fringe benefits for part-time employees who work thirty-two (32) hours of work or less per week will be governed by the Employment Standards Act (ESA). Part-time employees who work more than thirty-two (32) hours of work a week will be entitled to all contractual time off and fringe benefits. To meet this standard, part-time employees must work more than thirty-two (32) hours per week for twelve (12) consecutive weeks. Once this standard has been met, it will be maintained unless the part-time employee works less than thirty-two (32) hours per week for twelve (12) consecutive weeks.
- 5.05** Part-time will not be mandated outside of declared availability.

For full-time employees working four (4) ten (10) hour shifts, all time worked in excess of their regularly scheduled work day shall be paid at the rate of one and one-half (1½) times the regular hourly rate or pay for the first one (1) hour overtime worked, and double (2x) the regular hourly rate for all hours worked in excess of one (1) hour of overtime.

Provided a full-time employee has worked their regular work week, the first eight (8) hours of work on an extra day will be paid at one and one-half (1½) times the regular hourly rate of pay, and double (2x) the regular hourly rate or pay thereafter.

For Part-time employees, all hours worked in excess of eight (8) or ten (10) hours, as applicable, on a daily basis or forty (40) hours a week will be paid at the overtime rate of one and one half (1½) times the employee's regular hourly wage rate. All hours worked in excess of twelve (12) hours in a day will be paid at the overtime rate of two (2) times the employee's regular hourly wage rate.

6.02 There will be no pyramiding of overtime. Holiday premium pay will be considered overtime for purposes of this pyramiding prohibition.

- 7.01** The regular work week shall consist of five (5) days of eight (8) consecutive hours, or four (4) days of ten (10) consecutive hours. The Company retains the right to establish various shift configurations provided that such shifts are in accordance with applicable legislation.
- 7.02** Work weeks and starting times for employees will be established to meet the requirements of the Company. Starting times will be posted no later than Friday of the previous week. This shall not be construed as a guarantee of any hours of work in a day or work week.
- 7.03** Upon providing at least two (2) weeks' notice to employees and the Union, the Company may alter the regular start times. Emergency situations (power failure, Acts of God, fire, computer breakdown, and the like), may require a temporary change to starting times. In this case the Company will make every reasonable effort to notify affected employees at least four (4) hours before their scheduled start time.

- 7.06** Overtime will be first offered in order of seniority by department and mandated in reverse order of seniority by department.
- 7.07** Except in cases of emergency or customer service failure, mandated overtime including estimated duration time must be posted prior to the end of the last scheduled coffee break or minimum two (2) hours before scheduled end of shift.

- a) The Company will post a general announcement on November 1st asking employees to determine their vacation preference, if any, for the following year. Vacations must be scheduled in increments of

four or five days (one work week), as applicable. It is understood that all submissions are deemed requests and that the Company reserves the right to maintain an adequately skilled workforce at all times.

- b) During the first two full weeks of November, commencing with the first Sunday of the month, eligible employees will be canvassed by seniority regarding their prime vacation preference. Employees who do not indicate a preference when canvassed will be allowed to request vacation time by giving the Company at least two (2) weeks' written notice.
